

# Sponsorship

## People & Careers

CIOB produces events and activities to inspire and support professionals with their career development and ultimately to raise standards across the industry.

These activities range from specialist conferences and specific CPD learning to celebrating individuals who achieve chartership and those who become finalists at our prestigious CIOB Awards.

Sponsoring one of the CIOB's events or activities is a perfect way to raise the profile of your organisation by putting you at the heart of important conversations and demonstrating an alignment with CIOB values of professionalism and excellence in construction.

As a registered charity, CIOB are dependent on the support of sponsors to enable us to host world class events and ensure our members continue to benefit from our commitment to promoting the science and practice of building for the benefit of society, and we thank you for your support

We offer a 10% discount on sponsorship packages to CIOB company members
